Please consult your operating Gynaecologist before the delivery regarding their operating fees.

- a) Doctor's Visit Fees stipulated above are fixed for all classes and can be charged through the hospital bill only.
- b) Emergency visit charges will be applicable between 11pm - 6am when a Doctor is specially called to see the patient.
- c) Intensives visit will be charged on a per day basis during the period of stay ICU / ICCU / SICU / PICU / NICU.
- d) Accommodation will be billed at the end of each calendar day. Check-in time is flexible, hence room charge for the date of admission will be billed only once irrespective of the time of admission. Accommodation charge will be applicable for minimum one day even if the patient occupies the bed for short duration.
- e) The cut-off time for transfers is 11 am. For each calendar day the highest room charge applicable between 11 am to 12 midnight will be billed after considering transfers, if any.
- f) Check-out time is considered as 8 am. If the patient's discharge orders are received for final billing before 8 am, room charge for the discharge day is exempted.
- g) If infant occupies the same bed as the mother, only the mother will be billed accommodation charges. However, if the infant occupies a separate bed, (e.g. NICU) then additional room and intensive charges will be applicable for the infant.
- h) Accommodation charge includes the patient's prescribe diet. Additional food / beverages / mineral water for the patient or for visitors will be charged extra.
- i) Charges for all hospital services (except medicines and surgical materials) vary based upon the allotted class of accommodation.
