Mirror reported on FDA's crackdown on hospitals on November 29, 2014

CITY

19 BLOOD BANKS UNDER SCANNER

FDA officials bay for overcharging hospitals' blood

Slap notices on blood banks of top city hospitals and independent facilities that allegedly charged patients higher rates than prescribed by govt

The FDA conducted inspections at 309 facilities across the state between Nov 5 and 25. Many blood banks charged Rs. 50 to Rs. 1,000 more than the rates set by govt in June
